Get files in an USB Stick (16GB, £8.00)

* Once we have received your negatives and verified the quantity and the cost. A invoice will be emailed to you for payment and once payment has been received we will complete the scanning in about two weeks. At which point we will upload them to our secure web server and an e-mail will be sent to you for downloading them for up to 30 days. If you order a USB stick this will be sent with your Negatives/Slides via secure and tracked delivery at £7.50 (which is in addition to the scanning service).

Get Compressed/Uncompressed Files(*Details on Pricing Page): Compressed Uncompressed

Use the 'free trial' of five negatives before we scan all of your negatives:
